(SBU) Pol/Econ Chief delivered reftel demarches on Iran, Kosovo and Non-Proliferation to the Americas division chief Augustin Rutikara on October 3. Rutikara expressed support for the non-proliferation draft resolution (ref C). He noted Rwanda's obligation to enforce all Security Council resolutions, including the resolution on Iran's nuclear ambitions, while also pointing out Rwanda's very limited ability to affect Iran's financial, travel or technology transfer networks. He pledged his close study of demarche points on Serbia's request for an ICJ opinion on Kosovo's independence, commenting that Rwanda would normally consult the Africa Group in determining its response.
